1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium allocations and conditions of grant guidance 2022 to 2023](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

St Peter's CofE Primary Academy is totally committed to social justice and improving life chances for potentially vulnerable children.

Some examples of how we may use the grant include, but are not limited to:

- Providing extra one-to-one or small-group support
- Employing extra teaching assistants

- Running catch-up sessions before or after school (for example, for children who need extra help with maths or literacy)
- Providing extra tuition where needed (for example, ahead of national assessments such as SATS)
- Providing therapeutic support to ensure pupils' social, emotional and mental health needs are met
- Additional teaching and learning opportunities provided through trained TAs or external agencies. Pupil premium resources may also be used to target able children on Free School Meals to achieve a level above that which is expected for their age.

In addition to this we commit to providing our children on Free School Meals the following:

1. All school trips will be paid.
2. Each child will receive a school badged PE hoodie and T shirt at the start of EYFS and then at the start of KS2.
3. Children will be entitled to book one music lesson per week that will be paid.
4. Children can access one after school club which will be fully paid.
5. Where a child is falling behind expected age related attainment the school will offer tuition through the national tutoring programme.

Pupil premium money will also be used to tackle non-academic barriers to academic success such as attendance, behaviour and social and emotional support the quality of teaching, such as staff professional development.

Our use of the pupil premium and activities align with the DfE's 'menu of approaches'.

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

Our pupil premium strategy statement is available here:
