

School Council Minutes 10/10/22

- Checked if each class had shared the Anti-bullying charter and child friendly anti-bullying policy – Richmond need to do this still.
- Feedback from school council about lunchtimes- some children in KS2 are hungry and would like to eat first and then have their break, do all of KS2 have to come to the playground when the whistle is blown at 12:20?
- Looked at our school council page on the website, went through the aims and also showed where the minutes are kept.
- Anti-Bullying week 14th – 18th November. Launch with odd sock day. One member suggested crazy hair as well. Mon lunchtime the school council will help with puppet show and designing odd socks to celebrate everyone being different. We think it would be a nice day to listen and perhaps learn the song during assembly or in classes.
- Children in Need 18th November – we looked at the website and came up with some possible ideas but need to check with Mrs Holt first. 1) Wear spotty/colourful clothes to school 2) cake bake with KS2 councillors selling them 3) Bear Pong 4) KS1 and KS2 team up for a walk as this is part of the theme this year – maybe a treasure hunt/orienteering walk linked with CIN
- For next week:
 - Council Members – ask classes if they have any ideas for CIN.
 - Mrs Perrett – Talk to Mrs Holt about our ideas for anti-bullying week and Children in Need. Once sorted, let the office know so that it can go out on the newsletter.
