

School Council Meeting Minutes 16.12.24

- Lots of children would like to see more clubs being run during lunchtimes – we now have a list of the popular ones and Mrs Perrett will meet with children who would like to run them. There will be different clubs each half term.
- The children would like to have St Peter's Got Talent again in the Summer term but asked that different classes could perform together. Mrs Perrett will discuss with staff to see if this will be possible.
- Booklet for new children who start at St Peters' – School Council are really keen to make one of these for any new pupils. We will do this in the Spring term.
- Peer mentoring – School Council suggested that pupils could support other pupils who are struggling with their learning e.g. times tables. We discussed doing it once a week during the morning activity. Mrs Perrett will discuss with teachers.
- Playground equipment – School Council suggested a rota to have a monitor being in charge of this. Mrs Perrett to talk to Mr Pegg.
- We discussed that they need to remember to wear the high vis jackets once a week so that pupils know that they can come and talk to them. They are to encourage children to talk to an adult.
- Mrs Perrett thanked School Council for all of their hard work and wished them a Happy Christmas.
