

School Council Minutes

23.9.24

- Now that we have all of our student councillors in place, we can introduce everyone during Monday's Collective Worship.
- 'Buddy Stop' – we need to update our photographs so KS2 will take photos tomorrow during break time. On Friday KS1 will take some photos with help from some of the older school council.
- Mrs Perrett is really impressed with how everything is being set up for Collective Worship so far – thank you.

Feedback from classes

- Sunshine room – could this be used as a shelter if not very nice weather?
- Equipment on the playground is not being returned – could school council members help to encourage children to do this. Will discuss as linked to 'Respect' (our current Christian value) in Monday's Collective Worship.
- Library – some children not treating it with respect. We discussed Mrs Duckney running sessions to help with this – this has already been started. They also requested having input when choosing new books for the library. Mrs Duckney is always very good this and asks each class when there is a budget.
- New starters – could we make a pamphlet to welcome new people? School council to be involved with this.
- Could we run a book club at a lunchtime once a week? VH and MD to talk to Mrs Duckney.
- Suggestion to have a space for children who become anxious during lunch and break times. We talked about 'Cool off corner'.
- Suggestion to make signs to remind of school rules – maybe this could be a competition?
- KS1 toilets – not very nice. We talked about new toilets.
- Anti-bullying week – 11th – 15th Nov so we will need to start thinking about this soon.
- Request for another Sanitary bin in Y5/6 toilets. Mrs Perrett will speak to the office.
- Setting up for Collective Worship – next week Richmond and the following week Lancaster.
