

School Council Minutes 30/01/23

- Update from previous minutes – School council spoke in assembly about playtimes but they feel this is still an ongoing issue as it is not calm in the quiet area and there are problems with play equipment. Mr Sullivan has sorted out the outside door between Lancaster and Richmond. Y6 have been getting the hall ready for assemblies.
- **Feedback from classes**
- Feedback about having a card swap club – pupils are interested in this.
- Playtimes – people aren't sticking to the MUGA rota, Table tennis is causing issues as lots of 1v1 – going to think of ideas to help with this.
- Some girls are eating their lunch at breaktimes inside the mobile
- Football goals – could do with two more so that 3/4 can play with one set and 5/6 another.
- Would like to introduce themselves in assembly as not had a chance to do this yet.
- Quiet area – would like a reading area as this is calming. We talked about doing this in the summer.
- Book swap – this would be a great for World Book Day.
- Class equipment for outside – would like named equipment for playtimes.
- **For next time:**
 - Council Members – find out about KS2 lunchtimes this week. Are they happy with the new routine? Meet with Mrs Perrett on Friday at 12pm to feedback. World Book Day – find out whether pupils would like to dress up in costumes or PJS. Get some ideas for Comic Relief.
 - Ted to speak to Mr Pegg about running a football league.
 - Mrs Perrett to speak to Mrs Holt about the playtime and lunchtime suggestions and then Mr Pegg.
