

School Council Minutes 25.10.23

Update on previous minutes

- Mrs Perrett thanked school council for their parents/carers feedback on our anti-bullying policy.
- Worry boxes – reminder to ensure that every class know where these are and how to use them. Adults need to be checking these daily.
- Worry monsters – Mrs Holt is ordering these for KS1 today.
- Quiet area – Mrs Perrett will speak to staff about how we can make it a nicer area.

Minutes

- Student ambassadors – we went through a timetable for playtimes and lunchtimes. Ambassadors will signpost children to worry boxes and to talk to trusted adults. They will keep an eye out for anyone at the 'Buddy Stop' and encourage them to join in playing games with other children or play with them themselves. (Launching this during anti-bullying week)
- We went to look at the Buddy Stop and felt that it needed relaunching in assembly and possibly a new sign as it is faded. School council could perhaps do some fund raising for this and other equipment. Will discuss further next week.
- Anti-bullying week – we will meet next week to plan this.

Feedback from classes

- Request for more footballs on the playground – Mr Pegg has now sorted zones at break times so this should improve this.
- Litter picking is going well.
- Request for more bins
- Children need to be reminded to eat snacks on the playground – maybe make posters to remind them?
- A request for a Dodgeball competition – Mrs Perrett will speak to Mr Flavel/Mr Pegg
- Pupils would like to be more involved with keeping the school tidy – Eco Team? Mrs Perrett to speak to Mrs Flavel.
