

School Council minutes 29.11.23

Update on previous minutes

- Mrs Perrett thanked school council for a fantastic anti-bullying assembly.
- Reminder to follow the timetable for student ambassadors at break and lunchtime - wear green high vis jackets. They are to be kept on the pegs opposite the fish tank.

Minutes

- Anti-bullying poster competition – we only have 6 so please remind classes and bring them to Mrs Perrett by the end of the day Friday.
- ‘Walk to School Wednesdays’ – school council to talk to class teachers and be responsible for ensuring that children who walk to school on a Wednesday receive a house point.
- Northumberland councillors to ensure each class receives a reflector to help keep them safe during the winter months. (Given to us by Hinckley & Bosworth Council)
- Mrs Flavel asked for school council to let their classes know she will be starting an ECO Club up after Christmas and would like representatives from each class. She would like school council to give her a list of children who are interested.
- Fundraising – we would like to fundraise for a new Buddy Stop sign and other resources so we will arrange to meet with Mrs Henry to discuss fundraising ideas for after Christmas.

Feedback from classes

- None this week
