Flourishing together within the love of God.
Our motto is “Inspiring Learning for Life”.

As an inclusive and caring church school, we provide an excellent education and inspire learning for life. We see all members of our school family as valued and valuable in the eyes of God, and we will support and challenge everyone to achieve their full potential.

It is the mission of St Peter's C of E Primary Academy to:

- Provide a broad, balanced creative and challenging curriculum which is accessible to all.
- Nurture a stimulating, active and well-resourced learning environment. • Promote a variety of learning and teaching styles to stimulate all pupils and staff and provide the training and support needed to do this.
- Be a tolerant, caring and supportive place which expects equality and mutual respect.
- Build strong partnerships between home, school, church and the local community.
- Strive for continuous improvement in all that we do.
- Celebrate the successes we achieve together.
- Be a happy and safe place where everyone can thrive and grow.

Through our vision, which follows the parable of The Good Samaritan, we support all members of the school community to have compassion for those around them, showing love, understanding and empathy. Our community is supported to help those around them, not passing by.

We also embrace the story of St Peter and support the lesson that everyone makes mistakes, but it is how we learn from them that defines us. As St Peter holds the keys to heaven, in our school our St Peter's way holds the keys to being a positive and inspiring member of any community. St Peter's C of E Primary Academy strives to enrich the lives of our pupils, their families and the community around us.

By learning together, we will develop knowledge, understanding and a positive attitude to ourselves and those around us. We will use our St Peter's way as a model to embrace and follow. Our approach will always be respectful and kind as we challenge ourselves to be better teachers, parents, pupils and members of the school community. A St Peter's pupil demonstrates compassion, Wisdom, Respect, creativity and perseverance in all they do.

And so in others do to them as you would have done to you...

Mistakes are a part of life and we teach our children that it is ok to make mistakes providing we learn from them. We talk them through what being sorry means. We teach them that sorry means 'I know I have done something wrong and I am making a promise to try not to make that same mistake again'.

We share the Story of St Peter and even though he made a mistake and denied knowing Jesus three times, Jesus showed him forgiveness and St Peter held the keys to heaven and was the 'rock' or foundation of the church.

Our culture is to provide a 'safe place' to make mistakes and you will be given a second chance. In telling the story of the good Samaritan, one of the key lessons we can learn is the importance of empathy and compassion towards others. In a world where it is so easy to be caught up in our own lives and concerns, the Good Samaritan reminds us to take a step back and consider the needs of those around us. His selfless act of stopping to help the injured man demonstrates the power of kindness and how it can make a real difference in someone's life.

The Good Samaritan teaches us the importance of looking past societal divisions and prejudices. In the story, the Samaritan goes against the social norms of the time by helping a stranger who was from a different ethnic and religious background. This reminds us that acts of kindness and compassion should not be limited by our preconceived notions or prejudices. We should strive to treat all individuals with respect and help those in need, regardless of their race, religion, or social status. The story of the Good Samaritan challenges us to break down barriers and build a more inclusive and compassionate society.

6. School behaviour curriculum

Principles:

We follow three rules:

- Show good manners at all times
- Follow instructions straight away

- Positive relationships are imperative to our practice between all members of our school community.
- Children and adults have a sense of belonging, feeling safe, secure and valued.
- People learn to cope with all aspects of their lives with support from others.
- The importance of fostering social relationships in a school community of mutual engagement.
 - Responsibility and accountability for one's own actions and their impact on others.
- Respect for other people, their views and feelings and circumstances.
- Empathy with the feelings of others affected by one's own actions.

"Inspiring learning for life"

St Peter's CE Primary School

6.1 Mobile phones

- Year 5 and 6 pupils are allowed to have mobile phones with them on site but they must be switched off and handed in each morning to their teacher. If they do not then teachers will remove them and parents will have to collect them after school.
- We do not allow smart watches that record or take photos.

7. Responding to behaviour

7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the behaviour curriculum or their own classroom rules
- Develop a positive relationship with pupils, which may include:
 - Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement

7.2 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

Personal circumstances of the pupil will be taken into account when choosing sanctions, and decisions will be made on a case-by-case basis, but with regard to the impact of perceived fairness.

7.3 and 7.4 Praise and Sanctions

We always praise in public (PIP) and repair in private (RIP) We have in place a variety of praise systems to promote positive behaviour:

- Clear and concise expectations of behaviour will be described, modelled and encouraged throughout the whole of the school day to ensure that all children understand what is

appropriate. We will refer to start / stop behaviours (listed in appendix). Children will be made aware of the start / stop behaviours and these will be in every classroom

- Unconditional positive regard reinforced with all pupils and stakeholders at all times.
- Verbal and written praise from the class teacher or other adult in school for good learning, effort or behaviour.
- Children will be reminded of our learning behaviours – we look, we listen, we learn.
- Children who have done some great learning will be placed on the ‘wow wall’ and parents will receive a message home. They may be asked to share their learning with SLT and their families through.
- Teachers will share information about a child’s behaviour – either by the phone, face-to-face or notes sent to parents – to celebrate appropriate behaviour.
- On Fridays, a Star of the Week Assembly will be held. The children will have consistently gone “over and above” in our school rules and learning behaviours during the week.
- In addition to this we will have half term champions. The last achievement assembly of each half term will be for child of the half term ‘champion awards’.
- Headteacher stickers, certificates.
- House points which lead to additional rewards.
- Lunchtime awards
- Kindness awards

House points will be awarded by all staff for positive behaviour. 5 points for being a good role model and showing good manners etc, 5 points for completing homework, 10 points for being ‘star of the week’, 20 points for HT work of the week etc

Every week we will count up the house points for a weekly total and the following week the house captains for the winning team will present the achievement assembly with Mrs Holt.

Each half term the house that wins will get a house treat.

At the end of each term the winning house will have a whole afternoon treat such as a movie afternoon.

Admin staff and SLT will have house point cards to give out for positive behaviour.

However, we understand that occasionally children will behave inappropriately for whatever reason. When children display this behaviour, there are several layers of consequences in place to encourage

them to self-regulate their behaviour in a positive way. The context of the situation is to be always considered.

Children will understand which behaviours are not wanted.

In response to negative (stop behaviours)

“That’s 1”- hold 1 finger up

He/she continues

“That’s 2” - hold 2 fingers up

Still doesn’t stop

“That’s 3” - hold 3 fingers up

Time out at the thinking table = 1 minute for every year of his/her age

Time out is THINKING, REFLECTION, COOL DOWN time etc

Thinking time will be at a separate table. Following this a restorative conversation needs to occur. How in depth this needs to be is dependent on the seriousness of the behaviour.

It should be explained to the child that they have made a wrong choice. You link your feelings about the behaviour choices and not the child.

The following phrase is to be used with our children to remind them about caring for everyone and everything ‘To keep you safe and to keep the other children safe...’

Children are not defined by an event. They are allowed to make mistakes and can learn from them. Once a situation is dealt with it is finished and this needs to be clear to the child.

If a longer restorative conversation is required then this will happen during break times and lunchtimes.

If a child uses extreme behaviour they will go straight to 3 and will immediately have extra thinking time. In the case of physical aggression, racist or homophobic incidents, bullying etc SLT will be notified and an investigation will take place and then if required parents will be informed.

All instant 3's will be logged onto CPOMS.

If a child receives a 3 in the afternoon, then they will miss playtime the following morning. If this is the second 3 of the day then their teacher will notify SLT member and there will be a telephone call home to parents.

At lunchtime SLT will facilitate a think tank. Children who have had instant level 3 incidents will attend the think tank at lunchtime for part or all of their playtime. If a child receives a level 3 outside at lunch then they will initially have thinking time (based on minutes for their age) with the member of staff and will be expected to apologise if they do not comply then they come straight to the thinktank. If the whole Key stage are too noisy at lunch and receive a level 3 as a key stage then they will line up for 5 minutes the next day.

Persistent poor behaviour (2 x think tanks in a week or 2 instant level 3 behaviours/ breaking of school rules we will speak to parents and this will result in two weeks of an amber report where agreed

behaviour targets will be put in place Personalised targets will be monitored and a daily report to parents sent home.

If there is no improvement over the four weeks then the child will be moved to a red report card and weekly meetings with SLT and parents will take place and could result in exclusion.

Restorative approach:

Whilst our behaviour policy is not primarily concerned with rule enforcement. It is a tool used to promote good relationships, so that people can work together with the common purpose of helping everyone learn.

Restorative approaches are based on four key features:

RESPECT – for everyone by listening to other opinions and learning to value them

RESPONSIBILITY - taking responsibility for your own actions

REPAIR – developing the skills within our school community so that its individual members have the necessary skills to identify solutions that repair harm and ensure behaviours are not repeated

RE-INTEGRATION - working through a structured, supportive process that aims to solve the problem and allows young people to remain in mainstream education.

This school uses restorative approaches to encourage everyone to take responsibility for their behaviours. However, to minimise disruption children will have a clearly defined 1-2-3 time out / think time approach in class and a restorative repair approach once the lesson has finished. All staff have been trained in restorative approaches and will apply them to resolving situations in the school. This approach starts with a restorative enquiry, if conflict arrives, over low-level issues i.e. friendship breakups, disputes over games, running in the corridor and not responding to reasonable adult requests. When using restorative questioning the following questions will always be asked in a quiet and appropriate area of the learning space. Questions will be first asked to the person who has been harmed and then to the harmer.

- Tell me what happened?
- Who was affected?
- How were they affected?
- How can we put this right?
- What can be done differently next time?

Format of the restorative process

- Only one person talks at a time.
- No interrupting.
- Be respectful to each other.
- Listen carefully to each other.

- Confidentiality-explain that this is between the people involved (plus parents if required).
- Be aware of any matters re Safeguarding. If something is disclosed appropriate measures in line with Safeguarding policy.
- If young people do not meet expectations or are still /become angry, stop mediation!

If incidents are sustained or reoccur a restorative conference may need to take place with all the appropriate affected people.

Consequences will be appropriate and will be chosen and agreed between all participants involved. Ensure that a consequence is never associated with a curriculum area e.g. writing lines, reading, times tables.

Feedback to parents should be given when a child has been harmed. Any member of staff should use their professional judgement as whether the parent of the harmer is informed of the incident. It should always be made clear to the parent that the situation was dealt with in a restorative manner and that the situation is finished now as all parties involved left feeling the situation had been resolved.

Exclusions for unacceptable behaviour:

Some poor behaviour may develop into a pattern of persistent and sustained incidents and/or present as significant and entirely unacceptable behaviour within the school community. The incident will be logged, and the procedural requirements of the Exclusions Policy will be applied. This will involve a fixed term exclusion from the school site where the situation can be managed within the school community, or for a clear and sustained breach of the Relationship Management Policy where there is an identified risk to children or staff, a permanent exclusion and potential removal from the school roll. The following behaviour is identified as unacceptable within our school community:

- Physical, mental or cyber bullying of another child or an adult
- The carrying or use of an offensive weapon or object with the potential to harm
- Physical assault and acts of violence towards another child or adult
- Persistent and Sustained verbal abuse
- Racist or homophobic incidents
- Extortion of money or belongings and gambling
- Destructive activity resulting in damage to property or belongings
- The carrying or distribution of a drug recognised as harmful
- The safety and learning of others is seriously hindered of learning, teaching and provision in the subject.

Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder

- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

After school clubs.

Children attending after school clubs will be expected to follow this same behaviour policy. If a child receives a level three warning then in the first instance the parent will be spoken to. If this occurs on a second occasion then the child will miss the next weeks session. If it happens a second time they will not be allowed to continue at the club.

7.5 Reasonable force

Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Always be recorded and reported to parents/carers

In line with statutory requirements from September 2025, all significant incidents involving the use of reasonable force will be recorded and reported to parents/carers, unless doing so would place the child at risk."

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

7.6 Searching, screening and confiscation

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched
- Explain to the pupil what a search entails – eg “I will ask you to turn out your pockets and remove your scarf”
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil's co-operation

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the Headteacher to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a pupil's outer clothing, pockets, possessions, desk or locker.

'Outer clothing' includes:

- Any item of clothing that is not worn wholly next to the skin or immediately over underwear (eg a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes or boots

Searching pupils' possessions

Possessions means any items that the pupil has or appears to have control of, including:

- Desks
- Lockers
- Bags

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Informing the designated safeguarding lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

Informing parents/carers

Parents/carers will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything

➤ What action the school has taken, including any sanctions that have been applied to their child

Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Strip searches

The authorised member of staff's power to search outlined above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

Before calling the police into school, staff will assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item.

Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the pupil involved and should advocate for pupil wellbeing at all times.

Communication and record-keeping

Where reasonably possible and unless there is an immediate risk of harm, before the strip search takes place, staff will contact at least one of the pupil's parents/carers to inform them that the police are going to strip search the pupil, and ask them whether they would like to come into school to act as the pupil's appropriate adult. If the school cannot get in touch with the pupil's parents/carers, or if they are not able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for information about the role of the appropriate adult).

The pupil's parents/carers will always be informed by a staff member once a strip search has taken place. The school will keep records of strip searches that have been conducted on school premises and monitor them for any trends that emerge.

Who will be present

For any strip search that involves exposure of intimate body parts, there will be at least two people present other than the pupil, except in urgent cases where there is risk of serious harm to the pupil or others.

One of these must be the appropriate adult, except if:

- The pupil explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, **and**
- The appropriate adult agrees

If this is the case, a record will be made of the pupil's decision, and it will be signed by the appropriate adult.

No more than two people other than the pupil and appropriate adult will be present, except in the most exceptional circumstances.

The appropriate adult will:

- Act to safeguard the rights, entitlements and welfare of the pupil
- Not be a police officer or otherwise associated with the police
- Not be the headteacher
- Be of the same sex as the pupil, unless the pupil specifically requests an adult who is not of the same sex

Except for an appropriate adult of a different sex if the pupil specifically requests it, no one of a different sex will be permitted to be present and the search will not be carried out anywhere where the pupil could be seen by anyone else.

Care after a strip search

After any strip search, the pupil will be given appropriate support, irrespective of whether any suspected item is found. The pupil will also be given the opportunity to express their views about the strip search and the events surrounding it.

As with other searches, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any pupil(s) who have been strip searched more than once and/or groups of pupils who may be more likely to be subject to strip searching will be given particular consideration, and staff will consider any preventative approaches that can be taken.

7.7 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (eg school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (eg on a school-organised trip).

7.8 Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

7.9 Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the Headteacher will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

7.10 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the police

Please refer to our child protection and safeguarding policy for more information.

7.11 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

8. Serious sanctions

8.1 Detention

Detentions after school are not implemented at St Peter's.

8.2 Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the pupil from the classroom for a limited time.

Pupils who have been removed will continue to receive education under the supervision of a member of staff. This education will be meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Restore order if the pupil is being unreasonably disruptive
- Maintain the safety of all pupils
- Allow the disruptive pupil to continue their learning in a managed environment
- Allow the disruptive pupil to regain calm in a safe space

Pupils who have been removed from the classroom are supervised by a member of staff from that Key Stage will be removed for a maximum of one lesson, unless further incidents occur.

Pupils will not be removed from classrooms for prolonged periods of time without the explicit agreement of the Headteacher.

Pupils should be reintegrated into the classroom as soon as it is appropriate and safe to do so. The school will consider what support is needed to help a pupil successfully re-integrate into the classroom and meet the expected standards of behaviour.

Parents/carers will be informed on the same day that their child is removed from the classroom.

The school will consider an alternative approach to behaviour management for pupils who are frequently removed from class, such as:

- Use of teaching assistants
- Short-term behaviour report cards
- Long-term behaviour plans

Staff will record all incidents of removal from the classroom in the behaviour log, along with details of the incident that led to the removal, and any protected characteristics of the pupil.

8.3 Suspension and permanent exclusion

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort. Please refer to our suspensions and exclusions guidance for more information.

9. Responding to misbehaviour from pupils with SEND

9.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices ([Equality Act 2010](#))
- Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))
- If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

Our approach to anticipating and removing triggers of misbehaviour include examples such as:

- Short, planned movement breaks for a pupil with SEND who finds it difficult to sit still for long
- Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism
- Use of separation spaces (sensory zones or nurture rooms) where pupils can regulate their emotions during a moment of sensory overload

9.2 Adapting sanctions for pupils with SEND

When considering a behavioural sanction for a pupil with SEND, the school will consider whether:

- The pupil was unable to understand the rule or instruction
- The pupil was unable to act differently at the time as a result of their SEND
- The pupil was likely to behave aggressively due to their particular SEND

If the answer to any of these is 'yes', it may be unlawful for the school to sanction the pupil for the behaviour.

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

9.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

9.4 Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

10. Supporting pupils following a sanction

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school.

Our strategy for reintegrating pupils following removal from the classroom or following suspension:

- Individual meeting with class teacher/support staff
- An orange report card with personalised behaviour goals
- Individualised positive interventions (sticker chart etc)
- Restorative conversation with SLT or class teacher

11. Pupil transition

11.1 Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

11.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

12. Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- The needs of the pupils at the school

- How SEND and mental health needs can impact behaviour
- How ACE's may impact behaviour
- How to adhere to our behaviour policy

13. Monitoring arrangements

13.1 Monitoring and evaluating behaviour

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusions and suspensions
- Use of pupil support units, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Perceptions and experiences of the school behaviour culture for staff, pupils, governors, and other stakeholders (via anonymous surveys)

The data will be analysed at regular intervals by the Senior Leadership Team.

The data will be analysed from a variety of perspectives including:

- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

13.2 Monitoring this policy

This behaviour policy will be reviewed by the headteacher and Trust Leader at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved by the Headteacher.

14. Links with other policies

This behaviour policy is linked to the following policies:

- Exclusions policy
- Child protection and safeguarding policy
- Mobile phone policy

Written statement of behaviour principles

- Every pupil understands they have the right to feel safe, valued and respected, and to be able to learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times

- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy
