Reporting of PE and sport
premium grant expenditure.

2025-2026

At St Peter's Church of England Primary School, we are committed to promoting healthy, active lifestyles and ensuring all pupils have access to high-quality physical education and sporting opportunities. The PE and Sports Premium funding for 2025-2026 has enabled us to enhance our provision, increase participation, and embed sustainable practices that support both physical and mental well-being. This report outlines how the funding has been allocated and the positive impact it has had across our school community.

The impact

The PE and Sports Premium funding for 2024-2025 had a significant and wide-reaching impact across the school, enhancing physical activity, staff confidence, and student engagement in sport and well-being initiatives. A central investment in Hinckley & Bosworth School Sport & Physical Activity Network enabled a broad range of targeted interventions, inclusive programmes and competitive opportunities.

Pupil leadership opportunities included opportunities playground leaders, well-being ambassadors, positivity ambassadors and peer mediators. This encouraged pupils to take on leadership roles and supported an awareness of mental health and wellbeing.

Focus was placed on Training or CPD to support inclusive PE sport and physical activity provision, Supporting participation in extra-curricular opportunities or competitions and putting in place top-up swimming lessons for pupils requiring additional assistance, Specialist coaches to assist children with SEND.

We purchased equipment which was also used to provide a variety of after school clubs such as new basketball nets and Drumba kits.

We ensure disadvantaged pupils have access to these extra-curricular activities by providing places on these clubs for free. Analysis shows this had a positive level of impact as a higher percentage of disadvantaged children accessed these clubs than other children.

Staff development is prioritised through professional coaching and subject leader training as well as providing subject leader time to develop the PE programme in school.

Equipment investment supports high quality lessons, after school clubs and a safe environment for the children to participate in a full sports curriculum.
